About the Center

**The Customer Technology Center is available:
Monday–Friday, 8:00 a.m.–6:00 p.m.
Email: customer-visit@hpe.com**

Collaborative discussions

Located in Boeblingen, near Stuttgart, the HPE Customer Technology Center Germany (CTC) offers you a window into HPE through interactive discussions on HPE’s Strategy and broad range of technology and solutions. Our CTC, with several conference rooms, a large demo showroom and a data center, delivers a great visit experience. Throughout your visit, you can expect excellent presentations, discussions, and demos with our experts around HPE’s current and future technology that can be tailored to your business needs. Explore HPE solutions to accelerate your digital transformation.

During your briefing, HPE Senior Leaders and Discussion Leader experts can help you explore a wide range of topics, including:

Demo area

Accelerating Digital Transformation:

- Simplifying **Hybrid IT** (Cloud, Software-Defined, and Data)
- Powering the **Intelligent Edge** (Mobility & IoT)
- Services for Digital Transformation (**HPE Pointnext**)
- Industry solutions
- HPE corporate and business function best practices
- Live demonstrations
