HQ Executive Briefing Center

Immersive experiences

Designed for collaboration

Hands-on capabilities

Located on the fourth floor of the HPE headquarters in San Jose, the newly designed HQ Executive Briefing Center (EBC) showcases the latest in collaborative technology and technology innovation. Designed with customers in mind, the EBC features interactive spaces to see solutions in action, become immersed in industry-specific content, and actively participate in digital transformation discussions.

HQ EBC features a dedicated staff to provide a highly personalized briefing experience. The 15,000 square foot HQ EBC features four briefing rooms, an executive lounge, technology playground, immersive theater, and digital transformation vignettes, accompanied by breathtaking views of the Bay Area.

Ready to request a visit? Contact HQ EBC Center Manager Lorraine Manawil (manawil@hpe.com) for more information.
