Remove funding barriers to acquiring new technology

Converting upfront cash purchase into a monthly, quarterly, or annual payment structure. Cumulative payments will equal less than purchasing equipment outright.

Customer can refresh to the most innovative equipment every 3-4 years.

Manage IT assets and resources to support growth and boost operational efficiency

Proactively prepares for innovation and expansion to maintain your competitive edge.

IT ASSET ECONOMICS OPTIONS

FAIR MARKET VALUE LEASE
Converts upfront cash purchase into monthly, quarterly, or annual payment structure. Cumulative payments will equal less than purchasing equipment outright.

Customer can refresh to the most innovative equipment every 3-4 years.

FULL PAYMENT FINANCING
Converts upfront cash purchase into monthly, quarterly, or annual payment structure. Customer will own the equipment at the end of the term. Option to work with HPE Asset Upcycling at end of term to sell the equipment.

HPE SUBSCRIPTION
HPE Subscription provides a worry-free, flexible, and competitive solution that lets you access latest-class hardware, software, accessories, and services into a convenient per-unit model.

HPE ASSET UPCYCLING
Asset Upcycling delivers a flexible, consistent process for retiring IT equipment. As you refresh your servers, network and storage, HPEFS can help build a customized plan for your business’ unique needs and navigate through the applicable data security and environmental laws.

HPE CERTIFIED PRE-OWNED
HPE Certified Pre-owned products can meet your unique technology requirements and help you achieve your business and sustainability goals. All equipment is custom-configured, tested, and certified using HPE proprietary tools and methods.

SHORT TERM RENTALS
Renting equipment from 3-12 months. Seasonal server or storage capacity, data center move or consolidations, or disaster recovery are typical applications where short-term rental may be necessary—such as migration to new technology.

AGILITY IS KEY TO DIGITAL TRANSFORMATION

Credit Application submitted through your IT reseller or an HPFS representative

Most credit decisions are reached within minutes. Additional information may be requested in some cases for final approval decision.

Credit worthiness is determined using FICO scoring, which is a global standard for measuring credit.

A quote is generated that outlines preliminary credit approval and multiple pricing options.
